

206 Carpenter Street St Marys NSW

For the developer an opportunity exists to construct an attached duplex (subject to council approval) on this approx 682sqm block with 2b zoning. It could be an affordable step into the market for an investor or perhaps a first home buyer will see potential and enjoy visions of adding their own touch over the coming years. Offering three bedrooms, a lounge/meals area and a great sized block, it's sure to go fast. Call now for more details.
