

14 Murray Street St Marys NSW

3  1  5 

There is nothing that needs doing in this immaculately presented three bedroom home except to move your furniture in. Wonderfully spacious throughout the floor plan combines three bedrooms with an open plan lounge/dining room. The kitchen offers plenty of cupboard space, has been updated and also offers room for a casual meals area. The undercover entertaining area overlooks the huge backyard with an overall block size of approx 834 sqm. Add to this the ducted air conditioning, single garage and single carport and you will agree that this is a very appealing package. Call now for an inspection!
