

27A Springwood Avenue Springwood NSW

4  2  5 

Located on 2,800sqm of land 500 metres from Springwood town centre and enjoying a serene bush backdrop, is this distinguished home that offers a lifestyle few can enjoy. Spanning across two levels this architect designed home blends a pleasant theme throughout the four bedroom design and is complimented by a spacious living area. The extensive use of glass frames creates wonderful views of the surrounding grounds and allows natural light to filter through. The covered entertainers decking is expansive, overlooking natural bush land. In addition to the detached garage and carport ample parking is provided by off street entry lane way space. With many more features on offer, including an established formal garden, an inspection is a must to experience this majestic residence. Call now to arrange a private viewing.
