

3 Knapsack Place Jamisontown NSW

4 2 1

Beyond the traditional brick and tile facade are an abundance of features that will surely please the growing family. An ensuite services the master bedroom, the built in robes are a handy inclusion and there are generous servings of living space for both formal and informal occasions. Split system air conditioning controls comfort, the kitchen and bathroom have been meticulously maintained and the oversized garage will look after your car and storage needs. Add to this a great sized entertaining area that overlooks the grassed yard, side access and a wonderful cul-de sac location. This is one not to be missed. Call now!
