Hidden beyond the traditional facade is a home that has been transformed into a modern day masterpiece. The kitchen has been recently renovated and comes complete with stainless steel appliances and a beautifully tiled splash back. The bathroom has been finished with a similar contemporary theme and boasts floor to ceiling tiles and the advantage of a separate toilet. Ducted air conditioning will ensure internal year round comfort or if you prefer the great outdoors there is an entertaining area on hand for those special social gatherings. Add to this the single garage and impeccable presentation - you'll have trouble saying no. Call now! (Agent Declares Interest).
