3  1  2 

Nestled behind a screen of established gardens is a property that will offer a lifestyle that can be enjoyed for many years to come. The brick and tile dwelling combines three bedrooms, two separate living areas and the bonus of a formal dining room plus the comfort of split system air conditioning. On a large 964sqm block there is plenty of grassed area and also caters for the sparkling solar heated in ground pool and covered entertaining area. Add to this the built in robes, 1.5 carport and the advantage of no rear neighboring properties. Call now for an inspection!
