Expertly transformed, this modern masterpiece is available for one astute buyer. Spanning across two levels the home combines four large bedrooms (ensuite to main) with quality inclusions that include stunning timber floors. There are multiple entertaining areas for those social gatherings and an elevated balcony that can be accessed via the main bedroom. Ducted air conditioning controls comfort throughout, there is an alarm system, intercom to the electric front gate, an oversized double garage and undercover entertaining area. Positioned on approx 790sqm of level land moments from the Nepean River it is an opportunity not to be missed!
