Boasting two bathrooms, two separate sitting areas and two garages, this dwelling feels more like a house than a townhouse. Spacious throughout it offers three bedrooms, a lounge and dining area, upstairs sitting area/study, an elevated balcony and a low maintenance yard. Add to this a third toilet, paved and covered entertaining area and built in robes. Enjoying street frontage in a popular complex you'll need to be quick. The reasonably priced quarterly outgoing's are just another reason why you should book your inspection now!
