Make the most of this rare opportunity to secure a large property on a massive block! The ever popular Clarendon Warwick design combines generous servings of living space with five bedrooms, a study, an ensuite to main and double garage. The rumpus on the lower level opens out to a great sized entertaining area that overlooks the sparkling in ground pool. With plenty of grass left over there is space for the cubby house and swing set. Well positioned in a quiet, popular location you will be doing well to find a better package. Call now or watch for open home times.
