56 Ninth Avenue Jordan Springs NSW

Rarer than hen's teeth this block will provide a great opportunity to construct an exclusive residence that is surrounded by other substantial homes. Enjoying over 40m of frontage, the entirely cleared block will support a variety of home designs. Call your architect, the time has come to make a move. Contact us now to reserve a time to access the block.

We are rolling out our welcome mat
Open homes are back with the NSW state government announcing the ban has been lifted.
With certain guidelines still in place we must ensure safety measures remain a key part of the view-ing process. Please get in touch to register your attendance and refer to the last photo on this prop-erty for information on the safety
