

Off Market Opportunity

**95 Pyramid Street Emu Plains NSW**

What an opportunity to invest now for your future. The brick and tile residence is currently occupied by a long term tenant with the view to stay on if the opportunity presents itself.

Recently the NSW State Government announced the ban on open homes and auctions has been lifted. With certain guidelines still in place we must ensure safety measures remain a key part of the viewing process.

Please refer to the last photo on this property for information on the safety measures we have in place. Our commitment to your health + safety is always our number one priority.
