Beyond the striking facade the stunning interior spaces are as beautiful, versatile and functional as they are spectacularly unique. Direct golf course views can be absorbed from many vantage points and offers a unique backdrop for social gatherings. Generous servings of living space occupy both floors; multiple bathrooms have been finished with the finest finishes and the cooking quarters will appease the fussiest chef. With a selection of stylish inclusions, a contemporary facade and enviable address all the requirements are available for a lavish lifestyle.

Recently the NSW State Government announced the ban on open homes and auctions has been lifted. With certain guidelines still in place we must ensure safety measures remain a key part of the viewing process.
