

20 Darwin Drive Lapstone NSW

3  2  6 

Generous proportions, a user-friendly layout and light filled interiors combine to create a comfortable residence in this family home. Designed for easy care living and entertaining, it enjoys a great address and views from its elevated position. There are three bedrooms plus a possible fourth or studio/study, two bathrooms including a deep corner spa. Modern kitchen equipped with quality cooking appliances, the dining room features soaring raked ceiling and floor to ceiling windows, ducted air conditioning, spacious living areas including formal lounge room and large rumpus. Living extends out to a large balcony including undercover outdoor entertaining area, heated inground swimming pool and distant city skyline views from the elevated balcony. This lovely home offers enviable tranquillity in a location that feels wonderfully private.
