No problem. They won't damage anything in this full brick home! Pleasantly perched on the high side of the street within a convenient lifestyle setting and generous interiors this custom built home is built to last and unique in design - this isn't just another 'project home'. Four double bedrooms with built-in robes, master with ensuite and private balcony. Large lounge room with bay window - enjoy the view out over the landscaped garden. Internal laundry with 3rd shower and internal access to the double garage with mezzanine storage. Outdoor BBQ area, low maintenance yard, convenient location, generous living space, wide hallways and a cellar for the wine enthusiast. Inspections welcome. To arrange your inspection please phone Marlene Aitken on 0417 388 988.
