Begins here ? This beautiful home is one for those who appreciate the best in life. Ideal for buyers who value the space and proportions of a house but are looking for the convenience and lifestyle that the mountains come to offer. If quality features is what you have been searching for then you must look at the ducted air and vacuum, built-ins to all three bedrooms, large study or office space, one of a kind kitchen to suit the finest chef and a beautiful sunken living area. There is also a huge elevated deck just dying to host your next party. With quality throughout and with the main bedroom having it's own sitting area, you will find it to be a great place to wind away those long days. Listen to silence of the neighbourhood and enjoy your prominent street position, you just need to ask yourself, is this your next chapter?
