

12 Panorama Crescent Mount Riverview NSW

5  3  2 

Ideal for the investor looking for a huge return or for the large family seeking an affordable home, this property is broken up into two areas. The main area offers five bedrooms all with built-in wardrobes, a study, a large updated kitchen and two large living areas. The second area offers a bedroom, study, living room, bathroom and kitchenette. This home is designed for space and comfort also including an in ground swimming pool, split system air conditioning and a large undercover outdoor entertaining area. A must see for anyone with a large family or looking for a great rental return.
