

30 Douglas Street Faulconbridge NSW

3  1 

Situated on a block of approximately 1144sqm and backing bush, located close to schools, shops and public transport, this is a fantastic buy! The three bedroom home allows plenty of natural light through the large windows, yet it is very private from the street. The home has been freshly painted as well as having a recent roof restoration. The kitchen is original but in great condition and very generously proportioned. With such a large piece of land and a very pleasant outlook, why not book an inspection and see for yourself how this home could be what you are looking for?
