

193 Rusden Road Mount Riverview NSW

4  2 

Large blocks of land in the Mountains are quite common. Large, level and usable blocks are very rare. On offer is this fantastic opportunity to secure a large, level and usable block with the potential for dual street access.

Type : House
Price : \$ 500,000
Land Size : 1258 sqm
View : <https://www.aitkenre.com.au/8059252>

The home itself is light and airy (with a beautiful Northerly aspect) and has been lovingly maintained over the years. Featuring four bedrooms, built in wardrobes, ensuite to main, third toilet downstairs, formal lounge and dining areas as well as a family area off of an updated four year old kitchen. There is also a bar area for the entertainers and split system air conditioning, side access and plenty of off street parking.

Conveniently located within walking distance to Mount
