

9 Summit Street Mount Riverview NSW

6  2  2 

It is every Australian's dream to own their own home and now may be the perfect time to do just that with, this affordable, six bedroom residence. Light and airy inside with a versatile layout, this is a home that can be changed around to suit your family's lifestyle and needs so space will never again become an issue.

Just some of the features you will find include; polished floors, fresh paint, down lights throughout and modern kitchen with stainless steel appliances. The heating and cooling is covered with a combustion fireplace, natural gas connections and a reverse cycle split system air conditioner. Each bedroom has a built in wardrobe while the larger master bedroom has an ensuite and a parents retreat.
