

263 Great Western Highway Warrimoo NSW

4  2 

A versatile floor plan that offers a potential dual income, this fantastic home would suit a multitude of buyers; for the first home buyer it offers affordability and convenience. Investors will benefit from the current rental return of \$420.00 per week, with tenants who are willing to stay. Builders or handy people could benefit from doing a little work here and there to increase the value of the property and be well in front, financially, in no time or retirees, looking for a tree change, can enjoy breakfast with the birds on the balcony overlooking a peaceful bush setting.

The property consists of four good sized bedrooms, large open living areas, two bathrooms, downstairs studio and plenty of off road parking.

Type : House
