

**106 Glenbrook Road Glenbrook NSW**

3  1  2 

Suited to those looking for a package they can add their own touches to, is this three bedroom home with a possible fourth. Tucked away and situated on over 1400sqm of land on the high side of the street, it's a great combination. With a little imagination and skill, it could be an ideal home for the family. Currently tenanted with a tenant that would love to stay and offering plenty of off street parking, its one to bring the tools, open your mind, work with what's there and make it a special mountains home. Every now and then, you find one with options to add and suit your own needs.

**Type** : House  
**Land Size** : 1403 sqm
