

68A Great Western Highway Blaxland NSW

4  3  4 

From the moment you step foot into this quality 40sq residence, you will be instantly impressed. Warm and welcoming, the home consists of; four generously sized bedrooms, ensuite to main, rumpus room, family room, fourth toilet, natural gas, reverse cycle air conditioning and a host of extras. The real wow factor comes when you open up the doors from the family/meals room and step into the luxurious, integrated entertaining area complete with a wet-bar, third bathroom, and a stunning indoor, in-ground heated pool with spa.

Outside, the home is complemented with heaps of off road parking, an electric gate, and an oversized double garage with work space. The beautifully established gardens and bush backdrop takes you away to a whole other place.
