

12 The High Road Blaxland NSW

3 1 2

Resting on over 850m² of flat, useable land is this delightful, recently updated mountains cottage. It features three large bedrooms, timber floors, high ceilings, and a wonderful country style kitchen looking out over the massive backyard that has more than enough room for the kids and pets to play. Split system air controls comfort, and all this is located on one of Blaxlands most popular streets within walking distance to all local amenities. With all these features and priced to please, call now to book your inspection and avoid disappointment.
