

### 39 The High Road Blaxland NSW

3  2  4 

This home is situated in a whisper quiet street that is arguably one of the most desired spots in East Blaxland. Only a moments walk from shops, public schools and the train station this lovely home features generously sized bedrooms, study, ensuite, ducted air conditioning, ceiling fans, a combination of tiled and carpeted floors and multiple large living areas. The kitchen features a stainless steel 900mm oven and cooktop and overlooks the family meals area, which in turn opens up onto a paved and covered area that is ideal for entertaining. The versatile floor plan means that the rumpus room can be closed off, you can choose to have the master bedroom either at the front or back of the house and you can arrange the house layout in an array of ways as to best suit your needs. Outside offers a lock up garage plus carport, garden shed
