

3A King Street Glenbrook NSW

4  3  4 

Walk into this home with a welcoming style and quality finishes. Set in a peaceful and tranquil location at the end of a quiet cul-de-sac, this home has everything you could ever want. As you walk in you are greeted by impressive hardwood timber floors leading you to two large living spaces, flowing through to a large dining area with huge modern kitchen, stone bench tops and loads of storage space. There are four bedrooms in total with the master including walk-in wardrobe and modern ensuite. The homes main three way bathroom is fully renovated with a modern taste and loads of storage space. The lower level is all about entertaining with a large rumpus room leading outside to the enormous, manicured, useable, near 1,000m² block. There is also a massive under house storage area which would be great for the workshop plus a
