

20 Calver Avenue Mount Riverview NSW

4  2  5 

Located in a peaceful street, this light and airy family home features four good sized bedrooms with built in wardrobes, two full bathrooms, a renovated laundry, downstairs rumpus room and a host of extras. Just some of the features include: split system air conditioning, ceiling fans, natural gas cooking and heating, Holland blinds, and a recent roof restoration. Outside, the lawns and gardens have been landscaped and are meticulously maintained, and for the entertainers, there is a large 5x5m under cover entertaining area. This fantastic home is completed by a double garage with internal access, and side access to a family friendly yard.
