

90 Ben Nevis Road Cranebrook NSW

4  1  6 

What a scorching opportunity this is, this four bedroom from the outside looks immaculate with nothing to do with a large block, above ground pool, undercover entertaining area, double carport and a single garage. But inside there is some work to be done as this lovely family home has been fire damaged throughout. But don't let your enthusiasm be dampened this is a great opportunity for someone to come in do the hard yards and either resell to make a few dollars or renovate it back to its old self which in return will become that perfect home for the family to grow. Also potential for development subject to council approval.

- * Fire damaged home
- * Outside is perfectly presented
