

14 Hanlan Street Cranebrook NSW

4  1  4 

This beautiful family home has been exceptionally looked after with much love and care and will suit the most astute buyer. The four bedroom floor plan boasts a large master bedroom with three way bathroom access, a good sized laundry, beautiful kitchen, tiled throughout, built in robes to four bedrooms and two new split system air conditioners. Along with the spacious formal lounge and dining area there is a separate family room, a huge undercover entertaining area, in ground salt water pool, double garage and the added bonus of solar panels. Positioned on a quiet street, easy walking distance to parkland and moments to major amenities, you will need to book an inspection now to avoid disappointment.
