

3 Wallara Green Jordan Springs NSW

4  2  4 

Set on a 459sqm block in the highly sought-after Jordan Springs community is this luxurious family home. With four bedrooms, two bathrooms and multiple living spaces, there is plenty of room for a large family.

From the functional designer kitchen to the laminate timber flooring, everything in this abode has been designed with family living in mind; all aspects of this home ooze comfort and that low-maintenance lifestyle.

When its time to relax, you can choose from the open-plan dining and living space, covered rear alfresco and a spacious fully-fenced rear yard or the flexible living room at the front of the home. Depending on your needs, this space could easily be used as an office, media room or formal
