You will be impressed from the moment you enter this home, from the oversized cantilevered floating concrete landings which have been designed and installed by hungry wolf studios whose work has featured extensively in the block, to the 3.4m high ceilings in the entrance and the Gerflor Vinyl flooring. This gorgeous McDonald Jones home located in Mulgoa Rise has plenty of room for a growing family with all bedrooms featuring built in robes and the master bedroom which is situated at the rear of the house offering a spacious walk-in robe and en-suite. We are proud to present this beautiful home to the Market.
