

55 OVERETT Avenue KEMPS CREEK NSW

4 1 1

This level 3 acre property is situated adjacent to the proposed arterial roads and Western Sydney's New International Airport. The home is an original cottage perfect for renovation and live while you build your new home. There is a number of original out buildings and sheds needing some overhaul work but ready for the astute buyer with the right vision.

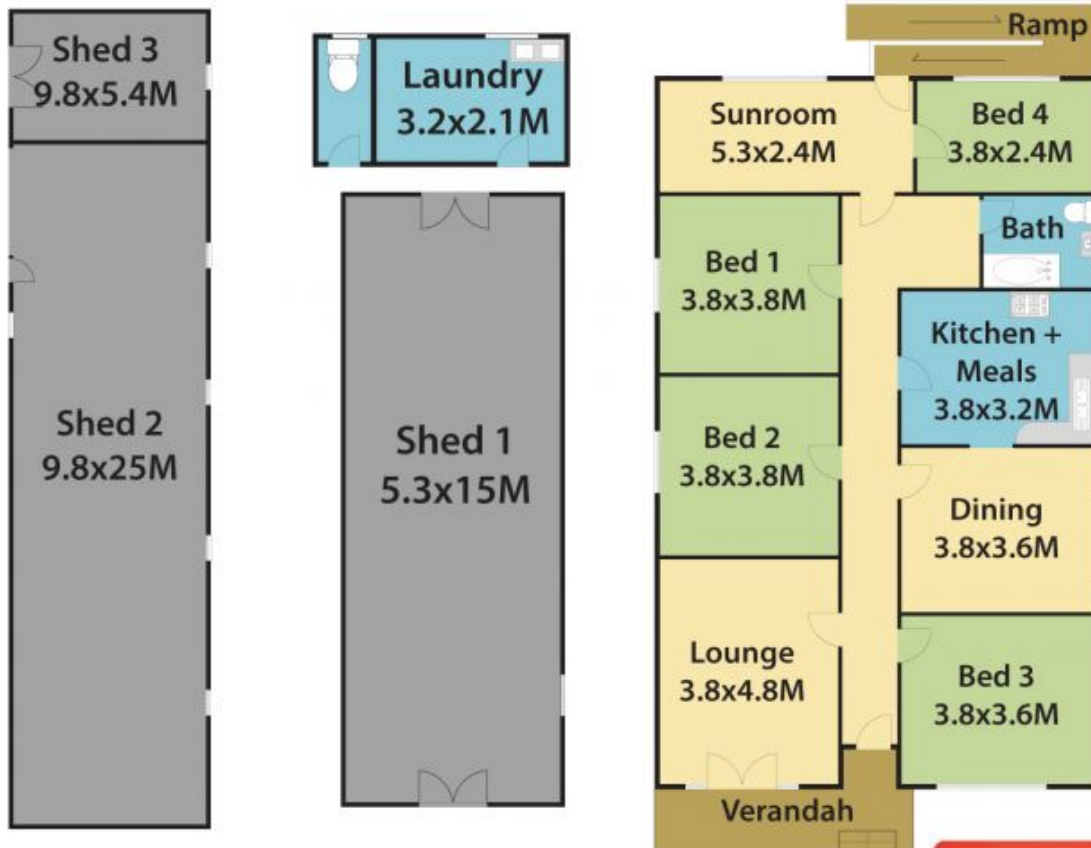

The land is in a prime location and is the key to this purchase. With some of Sydney's largest Government projects in the last 50 years about to commence nearby this property and location in this street has been highly desired for some time. Better to purchase now before any zoning changes that may take place surrounding these projects.

Type : House
Land Size : 12137 sqm
