4 2 2

Astute buyers know that the Luddenham market is one of the hardest to get into. Very rarely does an opportunity like this arise especially in this quiet rural setting. This is a great opportunity to buy a large family home from a realistic vendor who understands the current market conditions.

Nestled away on a huge 1,030 sqm corner block is this impressive home that's been loved by this family for over 19 years. The home offers four good sized bedrooms, two updated bathrooms and a refreshing mix of open plan and intimate living spaces.

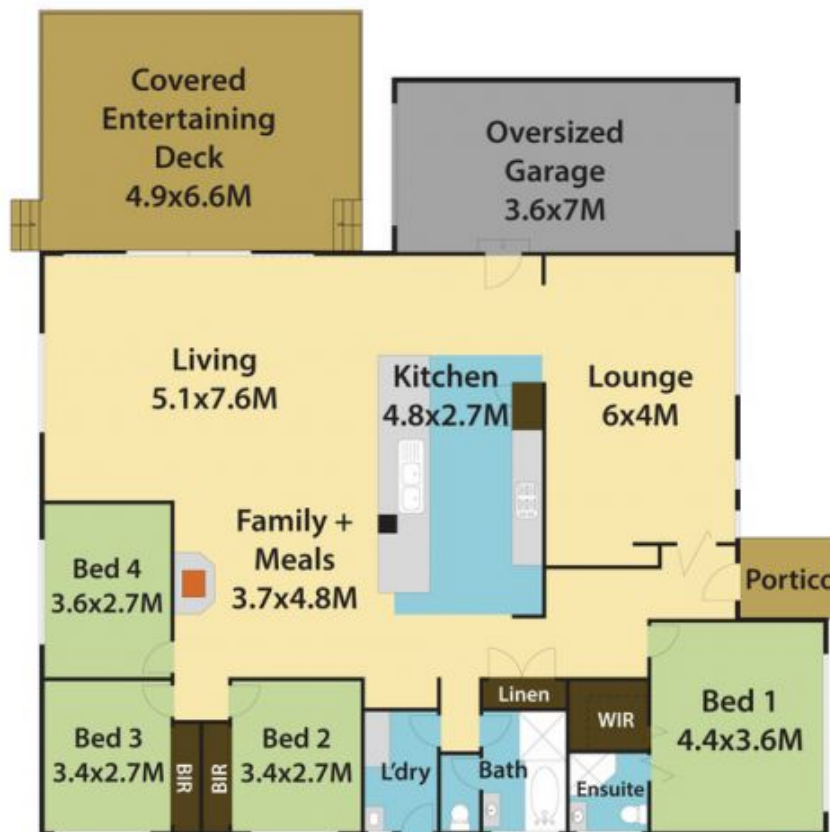

A serene environment that is quiet and safe for the whole family with local parks, shops and schools. Call Damian Sexton or Bradley Millevoi today to register your interest or
