

Lot 317, 5 Barnea Avenue CADDENS NSW

Perched high in the desired stage 3 of Caddens Estate this outstanding 573 sqm allotment is one of the fastest selling locations in Western Sydney. Offering a northerly aspect to the rear and views over a large portion of the estate and to the north/west a back drop of the Blue Mountains.

With a short stroll to the kids playground and family BBQ area and excellent access to the M4 and local shopping centers there is not much more you could ask for. With initial designs of a tri-level home providing single story to the front and double story to the rear, morning coffee on the main bedroom veranda could become your Sunday ritual.

A great sized block with the flexibility to build the home of
