If you're looking for a large home with a personality then this property's for you. Original but with a great split level design featuring high ceilings and large rooms this home offers a floor plan that with some paint and modernizing will be fantastic. The drive through garage is huge and with over 950m<sup>2</sup> of land, you simply won't go wrong.

**Type** : House  
**Land Size** : 974 sqm
