

132 Richmond Road Cambridge Park NSW

3  1  4 

Located close to public transport, local shops and schools, this solid three bedroom home sits on over 1100m² of land. Remember the good old days when you could kick a ball or play backyard cricket in your own yard? Well you can do it again in this one. The house requires some TLC so why not add your own touches to make it your own, or if you are looking for a large block to build your dream home this could be for you. Large blocks in this price range are always in demand. Ring today for more information.
