

116 Coreen Avenue Penrith NSW

4  2  4 

If you're after a spacious family home that puts you central to everything, this is a must see.

Offering four generous bedrooms with ensuite to master and two separate living areas, this property is definitely suited for those of you looking for extra space. Huge double garage with work space also boasts the comfort of air conditioning, and you won't have to worry about clutter if you utilise the copious amount of under house storage.
