Nestled in a quiet street, this lovely family home offers a spaciousness you simply can't experience from the street! The layout is quite flexible and is currently utilized as a four bedroom home with a study. There are two separate living areas, a separate family meals area plus a large timber kitchen that has plenty of cupboards, gas hobs and a huge corner pantry! Outside is ready for summer with a large covered entertaining area overlooking a private shaded backyard. With a double carport, ducted air conditioning, modern bathroom with spa and much more, you had better be quick!
