

5 Christie Street South Penrith NSW

3  1  2 

Located in a popular area of South Penrith, this extended family home has become too large for the current occupant. Featuring three living areas over two levels this home has space to spare. Although currently set up with three bedrooms, the upper level could easily be returned to an additional two bedrooms with plumbing in place for an ensuite bathroom. Space, Location and Price what more could you ask?

Type : House
Land Size : 556 sqm
