

7/35-37 Rodgers Street Kingswood NSW

2 1 2

To own a very tidy owner occupied unit. Located on the top floor, this fantastic unit features two very good size bedrooms, built in robe to the master, great size separate lounge and dining rooms, very modern kitchen, large laundry, air conditioning and a covered carport (with potential to be converted to a garage). With the unit being in a smaller complex and being within walking distance to Nepean hospital and the railway station, it's a definite must see for either a first home buyer or investor.

Type : Unit
