

8B Barker Street Cambridge Park NSW

4  1  1 

Appearing from one of Cambridge Parks most popular streets, this fantastic property awaits. It features four good size bedrooms (all of them having built-in wardrobes), good size three way bathroom (with ensuite access), separate lounge and dining rooms plus a family room. You will notice the tiled living areas and the all year round comfort of air conditioning. Add to this the single garage and the good size backyard, and this package is complete. With the property being relatively new, an inspection is highly recommended.
