

233 Castle Road Orchard Hills NSW

3  3  10 

Are you looking for the character and charm of a tranquil rural setting with City convenience? Nestled on approx. 1.5 acres this generous home awaits. Featuring three large bedrooms with built in robes, study, three bathrooms and numerous living areas the possibilities are endless. For the car enthusiast there is a double garage under the main roof and triple detached garage on the rear of the block. With dual access on this corner block there is plenty of room for you to store your boat, caravan or even large trucks. With easy to maintain gardens you will be able to relax in the backyard under one of the large shady trees and watch the world go by. Rarely do properties in prestigious Orchard Hills come on the market so close to Penrith CBD, so call today to book your own private inspection.
