

10/160 Canberra Street St Marys NSW

3  2  2 

Thats Right!! Main bedroom downstairs with ensuite and built in wardrobe, two bedrooms upstairs both with ceiling fans and built in wardrobes. Main bathroom, plenty of storage throughout the townhouse, a single garage with internal access and a designated car spot. With a decent sized backyard and a good undercover entertaining area for those get togethers with friends, its all there. Plus for those hot and cold weather conditions a split system air conditioner to round out those creature comforts. Situated in close proximity to St Marys Station and also shops and transport. For an investor it could possible achieve \$360 per week. So call today for your private inspection.
