Situated on a 638m² corner block with beautiful Blue Mountain views lies this large custom designed family home. Constructed with a suspended concrete slab no expense has been spared in its creation. The upper level features four bedrooms each with built in wardrobes, a large living area, dining room, breakfast room and spacious kitchen. The lower level features a massive double garage with electric roller doors, under house storage and a space perfectly suited for a wine cellar. The rear yard is ideal for families and includes a sparkling in ground swimming pool, undercover entertaining, extra large shed and grassed area.
