

4 Sir John Jamison Circuit Glenmore Park NSW

4  2  6 

Set on just over 700m (approx) block with side access potential and a northerly front aspect you will be the envy of others by having immediate access from your driveway to Mulgoa Road. Spoil yourself with the magnificent granite kitchen bench adjacent to the undercover entertaining. With french doors also leading back into the rumpus room which will soak in the morning sun, and offers glimpses to the Glenmore Loch. The four bedrooms are all with built-ins and ensuite to main. The formal lounge and dining also has outlook to the lovely rose garden. With ducted air, double garage and character to kill for this is definitely one for inspection.

Type : House
Land Size : 706 sqm
