If you're looking for that larger home to suit the extended family, then look no more. This home contains five extra large bedrooms, ensuite and walk-in robe to master, study or guest room with its own bathroom, a third bathroom upstairs and ducted air-conditioning. Want more? Then cast your eyes on the large formal lounge & dining rooms, renovated kitchen, separate family and rumpus rooms, upstairs rumpus, beautiful porcelain tiling, drive through triple garage, nice view and the decent size yard and you will agree there just isn't much better out there!
