

16 The Avenue Glenmore Park NSW

4  2  6 

This home will certainly offer something different to the normal! Start with the prime secluded location overlooking the National reserve in Glenmore Park close to the Mulgoa Road exit. Then add the large level block with side access offering any amount of options to your lifestyle. The four bedrooms are all good size, with the main having ensuite and walk in robe, and built ins to the others. Need to work from home, then set up in the attic study or office, still leaving plenty of living room for the family. Other features are the ducted air, ceiling fans, garden shed, and barbeque area. Without doubt you will be surprised with the serenity of this property, so we suggest you call now and book an inspection.
