

13 Womra Crescent Glenmore Park NSW

4  3  4 

This striking Michael Hull designed family home is the complete package for the family who enjoys their own domain. The stunning street appeal is complimented by some wonderful features including a large and level 763m² (approximately) block, great side access, a spacious yard and an in-ground salt water pool. With a total of four spacious bedrooms with built-ins, three bathrooms, including an en-suite to the main and a downstairs bathroom, ducted air-conditioning, immaculate presentation, stone bench tops in the kitchen and internal access from the double garage this home has all your family will need. Topped off with lovely views of the Blue Mountains, quality finishes throughout and a covered entertaining area to relax under as you watch the kids enjoy the yard and pool - this home quite simply gives you
