Now is not the time to miss this great family home, not with its sparkling pool to keep you cool on those hot summer days or the three outdoor entertaining areas to host that Christmas barbeque. It is never a good idea to pass on a quiet cul-de-sac in ever-popular stage one. Boasting four bedrooms, master with ensuite and walk-in, massive timber kitchen and living space a plenty. Dont miss a catch or pass for backyard cricket or footy on the huge 1965SQM block (approx) with possible rear access. Trouble with carspace? Not here, the double garage and triple carport will sort that out. Other features not to be missed include ducted air-conditioning, security roller shutters on all windows, slow combustion fireplace and alarm. Make this one a must to inspect.
