This quintessential Regentville home has everything you would expect from a home in this blue chip location and more! Featuring three large bedrooms, high ceilings, two oversized living areas, renovated bathroom, a wonderful covered entertaining area that over-looks the enormous back yard (block approximately 695m²) and there is a covered secure car port for at least two cars PLUS a tandem garage that could easily be used for some extra living or a separate studio. With homes in this location very rarely coming on the market we suggest booking your inspection before another Regentville opportunity passes you buy.
