Situated in a wonderful location surrounded by quality, well-kept homes is this large single level family home. With a 782sqm block (approximately) this home enjoys a completely separate driveway with side access as well as a double garage under the main roof and still plenty of room in the large private backyard. The house features four good-sized bedrooms all with built-in's and the main with walk-in robe and en-suite. The two separate living areas are also of a great size especially the very large rumpus room, there is ducted air, both, casual and formal dining areas, a large covered entertaining area, dishwasher and gas appliances. If you need more size both inside and out without breaking the bank this home is a must see.
